Our President's Message

Dear HMC Residents, I am honored and humbled to be a part of the Hunt Military Communities' family. As the new CEO, I look forward to continuing with the company vision of providing 5-Star Service and excellence in housing. As a former Marine, I understand first-hand the challenges service members and their families face when moving to a new community and the importance of providing quality housing.

Over the next several months, I will be visiting many of our HMC communities with the intention of meeting residents, touring homes, and looking for ways to make your living experience the very best it can be. I will tirelessly search for ways Hunt Military Communities can improve our service delivery and homes to enrich the lives of our residents. Our nation's military service members became my heroes after two combat tours in the Marine Corps, and I greatly look forward to serving our military families. As always, we want your feedback, and our Hunt Promise Helpline (<https://www.huntmilitarycommunities.com/contact-us>) provides an easy way for you to share your feedback or address concerns that have not been appropriately tended to at the site level. Transparency and open communication will help HMC to provide you great service.

"I love the atmosphere. I told a co-worker it's incredible on the management's side that they were able to find such different individuals that mesh so well together and have such complementing personalities."
